I don't have the resources to get to DC via plane. Bus is my go to plan, but a carpool option would be much preferred for myself and I'm assuming other patriots as well.

I'm in SE Michigan, and can help with gas and grub. I'll be without a firearm. But the burning hatred I have for commies will suffice.

Heck I'm in Los Angeles and have never been east of the Rockies. I'm so Deplorable going to D.C. Jan. 6th will be the most important thing I've ever done in my life. I need to find out where to stay, be nice not to fly solo. I don't even own a pair of long trousers.

Rent a car - if you have usaa - they offer hella good discounts. I don't know the discord link for us, but probably a better way to organize. I would also look into air B and B, for a place to stay, cheaper and than a hotel most times
